- After Effects (basic)

D. Pawan Kumar

Senior Graphic Designer · Brand Design · Outdoor & Print

PROFILE

I'm a senior graphic designer with over seven years of experience in brand design, outdoor advertising and print production. I've designed and rolled out branding for more than 50 Indian Oil and HPCL retail sites, from hoardings and signage to marketing collateral, taking every job from first concept to production-ready artwork.

I work well with clients, printers and production teams, present ideas clearly and keep projects on brief and on deadline. Most recently I worked on vehicle branding and large-format graphics in Dubai, and I use AI tools such as Gemini, Veo and ComfyUI for concept development and storyboarding. I'm based in the UAE and looking for a graphic designer role with a corporate company in the UAE or GCC.

HIGHLIGHTS

- **Cut turnaround time by 30%** by reorganising workflows and file management, with no extra headcount and no drop in quality.
- **Six years without a major reprint** caused by artwork errors, across 50+ locations, thanks to careful prepress checks and colour management.
- **Delivered brand rollouts** across 50+ Indian Oil and HPCL retail sites, working to tight construction schedules.
- **Built long-term client relationships** that led to repeat projects and ongoing work.
- **Built a freelance client base from scratch**, managing each project from brief to design, web development and digital marketing.

WORK EXPERIENCE

Graphic Designer & Print Machine Operator

Jun 2026 – Nov 2026

Ash & Sims Advertising LLC · Dubai, UAE

Advertising and branding company specialising in vehicle branding and large-format print for the UAE market.

- Designed branding artwork and promotional graphics for vehicle wraps and large-format jobs, preparing client-facing mockups for approval before production.
- Handled video editing and promotional content alongside design, supporting projects from early concept to final output.
- Prepared approved artwork as TIFF files and processed it through RIP software for print.
- Ran the Epson eco-solvent printer and plotter cutter to produce print-and-cut files, managing production from file preparation to finished output.

Senior Graphic Designer

Oct 2018 – May 2026

Ambujam Advertising LLC · Hyderabad, India

Full-service advertising agency specialising in outdoor advertising, retail branding, signage and large-format printing.

- Designed brand and signage systems for 50+ Indian Oil and HPCL retail sites, covering canopy fascia, pylon and hoarding signage, wayfinding, shop branding and in-station POSM.
- Developed marketing collateral suites, including brochures, flyers, standees, roll-up banners, exhibition graphics, vehicle branding and outdoor media, all production-ready and on brand.
- Presented creative concepts and production plans directly to clients and worked their feedback in without losing design integrity.

D. PAWAN KUMAR

DRIVING LICENCE
Indian LMV licence holder

Senior Graphic Designer (continued)
Oct 2018 – May 2026
Ambujam Advertising LLC · Hyderabad, India

- Prepared print-ready artwork in CMYK and Pantone with correct bleeds and material-specific settings for vinyl, ACM panels, flex banners and backlit substrates.
- Acted as the main link between clients, fabrication vendors and installation teams, resolving technical issues before they became costly on site.
- Redesigned internal workflows and file-management systems, cutting average turnaround time by 30%.
- Reviewed and guided junior designers and print operators to keep quality consistent and brand guidelines respected at every stage.
- Operated large-format printers, laminators and plotter cutters, and prepared production artwork for the ACP/ACM panels used in Indian Oil and HPCL projects.

Web Designer & Digital Marketing Specialist
Feb 2016 – Oct 2018
Freelance · Hyderabad, India

- Built responsive WordPress websites for SME clients in retail, hospitality and services, with a complete brand identity delivered alongside each site.
- Ran SEO audits and on-page optimisation campaigns that delivered measurable organic traffic growth.
- Managed social media content strategy and campaigns on Instagram and Facebook.
- Handled the full client lifecycle on my own (brief, proposal, design, delivery and reporting) across several accounts at once.

Floor Sales In-Charge
Aug 2009 – Jan 2016
Mahalakshmi Enterprises (Airtel Franchise) · Hyderabad, India

- Led retail operations, daily sales targets and a customer-facing team, which gave me a solid grounding in client communication and meeting deadlines.
- Handled customer enquiries, complaints and service requests through the Airtel ICRM system, resolving them promptly.
- Maintained customer documentation, KYC verification, sales records and operational reports in line with company policy.
